CLASSICO L3

digital organ

DEXIBELL CLASSICO L3 is a portable digital classical organ which, using exclusive technology, called "True 2 Life" (or 'T2L' for short), offers a timbral quality never-before achieved in the reproduction of the sounds of classical organs thanks to its:

- Unlimited Notes Polyphony
- 24 bit and 48Khz
- Over 15 seconds of Recorded Waves in 3D surround.
- Combination of "Sampling and Modelling" technology with unique algorithms

With its 76 dynamic sensitive keys and 4 simultaneous parts, CLASSICO L3 offers legendary high quality acoustic and electric pianos, also found in the DEXIBELL VIVO digital piano range.

Sounds and Effects are designed for "seamless transition" during patch change or memory recalls avoiding any unwanted interruption of current sound and effect
