Please Note:

- Your order may arrive in multiple shipments.
- If you selected Ship to Store pickup, we'll send you an email when it's ready. The standard processing time for ship to store pickup orders may vary by store location and operating hours.
- Packages shipped during weekend hours (Friday afternoon through Sunday evening) will not arrive at the carrier's sort facilities until Monday.

We transport ground-ship packages directly to regional carrier hubs. This reduces handling and improves shipping time by up to 24 hours. It's also why you may notice a 24–36 hour delay in finding your tracking on the carrier website.

Thank you,

Guitar Center
